RE: BICYCLE CAGE CLEARING PRIOR TO UPGRADING PROJECT

Dear Residents,

This is to inform you that the PCC420 will be doing an upgrading project into the bicycle cage room in P1, by expanding the space area and installing additional bike racks to accommodate more numbers of bicycles in the future.

In this regard, we are please to inform you that starting Friday, August 20, 2021 to Wednesday Aug.25, 2021 all bicycle owners are advised to move out your bicycles and keep them inside your unit until further notice.

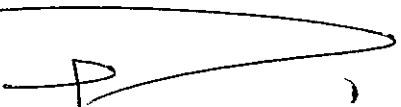

Note: Any bicycles that remain inside the cage will be removed by management and will be kept inside the building storage room for a week. After, it will be disposed into the junk yard/Garbage.

This is for your strict compliance.

Please contact the Management Office, should you have any questions.

Thank you for your anticipated co-operation in this matter.

Sincerely,
